

Nomination Statement – Julie Watson

I am nominating for the role of Women's Delegate on the ABSC Board.

I am a 50 yo married mother of 4 adults and grandmother of 2)

I work full time as a Payroll Analyst

I have been playing cuesports for 31 years.

I played snooker and billiards for 10 years and won 6 Victorian women's billiards titles during that time. In 2001 I was encouraged to try 8 ball and loved it from the start. Made the Victorian women's side that year and then the Australian women's team in 2002.

I went on to make a further Australian side in 2011 and another 7 Victorian women's sides.

Last year in an attempt to improve my technique I started playing snooker and billiards again and fell in love with the big table all over again with a particular love of billiards.

The last 14 months have been my most successful in cuesports and currently hold seven women's titles

Victorian:

Billiards

Snooker

8 ball doubles with Annalisa Polido

Australian:

I have nominated for secretary of VBSA.

With the full support of the VBSA I am holding Billiards for Women workshops. The first one a month or so ago and the next one in regional Geelong this weekend

I am also nominating for President of the Victorian women's superleague association. (8 ball)

I am a real advocate for increasing female participation in our sport and I have really good support from some really good people in the game.

Thanks for letting me have an opportunity to talk about myself 😊

I hope this covers it

Kind regards

Julie Watson (formerly McEwan)
