

Billiards Australia Friday Night Flyer

All players to be present for a 3.00 pm start.

All matches are 150-up - playing order will be announced on the day (roll on/roll off)

Top two from each group qualify for the knock-out

The baulk line crossing rule is in use for this event. The player must cross the baulk line when the break is between 80 and 99 points. The onus is on the player, if the referee does not issue a warning.

Trial Rule in use also: If the player comes to the table with the ball in hand as a result of the opponents's last visit (e.g. potted or forced off the table), then the player may play into baulk for that shot only.

The miss rule is removed, so if the player double baulks himself and fails to hit an object ball it is a foul.
